Mrs. Peggy

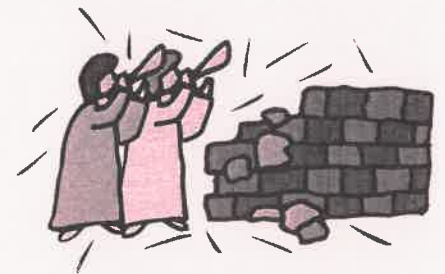

October 7, 2021

Wow!!

It's hard to believe that we already have 6 weeks of preschool behind us. It has been wonderful to see how amazingly special God made your children. Peggy is having fun getting to know your child and their unique personality and gifts.

We will especially focus on names this coming quarter. Through various games and activities, your child will work towards learning the letters in their name. We will also be strengthening fine motor skills and working on pencil grips.

Our Bible Story: The Battle of Jericho

Hooray! It Feels Like Fall!!

Our last tall stick letter is the letter "Hh". Counting and sorting hippos, eating healthy food, reading the books Little Red Hen and No Hitting Hamster are some of the "Hh" activities we will do. We also will create beautiful pumpkins by mixing yellow and red paint.

This story will help your child realize that nothing is impossible with God! Blocks and building will be a big part of our activities as we pretend to build the walls around Jericho. Have your child sing the jazzy song, "Joshua Fought the Battle of Jericho" for you!

Scripture for the Month:

Genesis 28:15

"I am with you and will watch over you wherever you go."

Next Week:

Something shaped like a
rectangle

or

Starts with the letter Hh

Kora
