Religion

During our religion time, we have been learning about the New Testament and the stories of Christmas: The angel Gabriel coming to Mary, Elizabeth, and Zechariah.

Peace, who can argue with peace and goodwill? The problem is that people want peace for themselves, even if it causes conflict for others. They want good to come to them, even at the expense of bad happening to those around them. That's why the angels' message was so important. It announced peace with God—at the expense of the newborn baby's life and death. It proclaimed that God, whom we treat badly, wants only good for us, because the life, death, and resurrection of this newborn baby make us His friends forever.

Like the shepherds, second graders come with wide-eyed wonder. They have heard the story before. They love telling it to their friends and family. They are eager to leave their routines and celebrate the birth of their Savior.

God on a cross may be a bit overwhelming. But they can embrace God in a manger. Bask in the peace. Pass on the goodwill. Jesus, the Savior, is born!!
